“ I cannot express the amount of loss this is to our family. Dad, god only made one of you and we were truly blessed to have your wit, charm, stubbornness and sense of humor in our lives. Moving mountains will be easier than moving beyond this pain we feel. We love you dad and we already miss you more than words can express. Love always, your punky

Christina, please accept my sincere sympathy for the loss of your Dad. It breaks my heart. We don't know one another but experiencing the devastation of losing a loved one is something I have faced too. We lost someone dear to us not long ago. What helped us to cope was the Bibles promise of a time when "death will be no more" (Rev 21:3.4) and assurance that God hears our prayers (Ps 55:22). I hope this brings you some peace during this difficult time also.
