“ My deepest sympathies to Marion, Barb, Gail, Evie and Paul. I have many fond memories over the years, from being baby-sat as a child when my folks went on vacation, to visiting later in life on business trips to Detroit. Including an occasional 'rum run' from Illinois to Michigan. I loved my Uncle Paul very much and he will be missed by all. I regret I could not be there at this time with you, however we send all our love and support during this difficult time. With much love, Steve, Robin, Ian, Caitlin, Patrick, Moira Clancy

“ We were next door neighbors of the Claneys for 10 years. We have wonderful memories of daily life with Paul. He was always helpful to his "unhandy" neighbors. He often gave good advice and a helping hand. He was patient when our dog made a messy visit and was always friendly to our two noisy and busy boys. He loved his cars and when some of his painting job on a windy day ended up on our new car, we just knew that Paul could make it good- and he did. We learned a lot about houses, yards, gardens and being a good neighbor during those years. Thank you Paul! Pam and Ken Finegood
