“ Worked with Paul a long time ago. With all the social networking and like going on, I thought I would reconnect with some old colleagues and was very sad to discover this obituary. I remember Paul as being a good natured man, hard working, devoted father and husband and a lover of what is now called "Classic" rock and roll. We worked together at Perry Drugs/Autoworks in the middle-late 1980's. My condolences to wife Ellen and son Matt of whom Paul spoke of fondly often. Rest in Peace my friend.

“ I am so sorry to hear of Paul's passing. Paul was without a doubt my best friend growing up. From the kickball games in the street to the fairs we held in the back yards, walking to school together almost every day for 12 years, Northwood, Barton then Dondero, up hill both ways, in two feet of snow. We always confided in each other, played sports together, double dated and sometime even got in trouble together. Paul was a loyal friend and will be missed. I'm sorry that I can not be with you, his family, but you and Paul are in my prayers. Dan Sutton

“ *When I was 19 my best friend introduced me to her new boyfriend. I thought he was one of the nicest, kindest, best looking guys I'd ever met. It's no wonder she married him. And even after 40 years I can still say "Paul was one of the nicest,kindest, greatest looking guys I've ever had the pleasure of knowing."*

“ *My favorite memories of Paul were the trips we took to the Goose Lake Music Festival a Michigan mini-Woodstock and the Toronto Music Festival back in 1970 and 1971. Paul was a great traveling companion - I wish I'd had the chance to spend more time with him. I'm thinking of you, Karen. I'll pass the news along to his old friends Lee and Diane Gerletti.*

“ Paul was a neighbor from North Pleasant. He would have been a year behind my brother Tom who was class of 66 at Dondero. I was friends with Barbara growing up. Very sorry to read of Paul's death. He was too young. I have your family in my prayers. Kathy Ochs

“ I am so sorry to hear of Paul's passing. We were fellow "Dondero-ites". We were both class of '67 and my memories of Paul are from those wonderful years. He was handsome, kind, smart and lots of fun, always a joy to be around. Heaven must of needed another strong "Oak". Fondly, Edie Hoemke Saunders
