“ I am so very sorry to hear of the passing of Paul. I knew him throughout my years at Kimball and would keep in touch throughout the years. He was a great man of faith. The world just lost a great man and heaven just gained one. Very sorry to hear of his passing.

“ Our family has known Paul for more than 30 years through The Village Club, and throughout that time he was a steady and familiar presence. He was someone people naturally gravitated toward because he carried himself with genuine kindness, humility, and quiet talent. Guests and colleagues respected him, appreciated him, and truly cherished the warmth he brought into every room.

Although his passing brings sadness, I hope it brings comfort to know that Paul is now home with God. He is in a place of peace, light, and complete love, resting safely in the presence of the One who knows him fully. His absence here is felt, yet his spirit continues in a far more beautiful and gentle place. May his family feel God's closeness and strength during this time, and may the memory of Paul's goodness bring comfort and blessing in the days ahead.

“ *We are saddened to hear of Paul's passing. We have known him for 8 years from the Village Club. He was definitely a favorite of ours. He always knew our routine which was going to Saturday Mass and then dinner afterwards at the club. We had many conversations with him about our Catholic faith and his insightfulness was very impressive and greatly appreciated. We will miss him.*
