“ Paul, I treasure the time you, dad, and I would go up to CCR and walk the hunting area and sometimes you and dad even got some partridge! I loved your laugh when we all would be sitting around and someone would do or say something unexpected and we all would laugh until the tears flowed! I loved it when you stopped by at lunch time to have a cup of coffee before you had to go on a service call. I treasure the times when dad and I were out at random places and we would see you there too. Some of my fondest memories are of the family times and holidays. What a joyous time we all had together.
I love you Paul!

“ To the family of Paul Misner : Please accept my sincere sympathy for the loss of your loved one. While we don't know one another, experiencing the devastation of losing a loved one is something we all face in our lives. The Bible promises a time when "death will be no more" (Rev 21:3.4) and assures us that God hears our prayers (Ps 55:22). I hope this brings you some peace during this difficult time.

“ Dad, I miss you so much already. I will always be thankful for the values and lessons that you have taught me over the years. I promise that I will always do my best to never let you down, and I will always have you right here with me in my heart. You can always count on me. Every time someone says "you're just like your Dad!", I will be honored....I always have been. I'm proud of you, Pops. I trust in God that you are up there, with a big grin on your face, breathing easy again. I will love and honor you always!!!
I sure will miss waking you up way earlier than you'd like with a cup of coffee, and then sharing another cup with you when I come home from work.

“ I worked with Paul for more than 20 years, even following him from one company to another. Many times I was late coming home from work because I was rehashing the day with Paul and Mike Savoie. They both taught me a lot about business and life. Maybe there's a Red's wherever they are and they can talk over old times.

“ P.A. I Miss you already! Thanks for being my neighbor, my friend, my hunting partner, and especially for being my brother! I knew you always had my back. I will always cherish the time we spent together. The laughter, the tears, and the great memories we made together are so special! Wishing you eternal peace and a joyous reunion with Jonathan, Dad, David, and all the family and special people in your life that were already waiting there for you with open arms. You will always be a part of me, and forever in my heart! I will always love you my brother! I still got your back... (Yep I'm crying...you got a problem with that?)

God Bless You
