“ Paul was a member of a group of guys who met nearly every month over the summer and fall for dinner for many, many years. We all knew each other from working for the Michigan Department of Social Services. We shared each other's company, good food, good drinks, good times, and much laughter. God willing, we will be able to get together again in the near future. And when we do, the very first thing we will do is toast to Paul's memory. Rest in piece, Paulie!
