“ *To the family of Paul, I am very sorry for your loss. "There is going to be a resurrection," states Acts 24:15. May the hope of the resurrection bring you comfort during this difficult time. The Bible holds out a real hope of being reunited with our dead loved ones John 5:28,29 when the grand resurrection raises them to the earth again. We can really believe what the Bible says. God is the source of life, has resurrected humans in the past, and God is eager to do it again. He longs to bring back those who are in his memory and to see them live on earth again. John 14:14,15*
