“ I have known Paula my whole life. Her Mom, my Aunt Rosie and my Mom were good friends, more like family. Paula loved to come help my Mom hang curtains, spring cleaning, wallpapering, anything to do with the house. More recently Paula and I connected on Facebook and had some wonderful chats. Paula was a kind, loving woman who never said anything bad about another. She will be missed but never forgotten. Paula, rest in peace, you are with the Lord and your loved ones, especially your Mom. Paula loved her Mom so much. My 🙏 prayers, ❤️ love and condolences to Paula's family, friends and the many others whose life she touched

“*I met Paula for the first time at her mother, Barbara’s, funeral. I was there to support my sweet friend, Brenda, and her family. I had my fussy newborn daughter with me. None of us could soothe her fussing. Paula swooped in took my baby girl and soothed her fussing like magic. She continued to hold her and carry her throughout the evening. She had a special gift with children and made everyone feel like family.*

I didn't know Paula well but our lockers at work were on the back side of each other. Every single day, before her shift began, she would sit near her locker & every person that walked by got a hello & a compliment from Paula - I love your hat, that is a beautiful coat, etc. When I transferred out of the building, I had to tell her that I loved hearing her beautiful & positive compliments to everyone & going forward I would try to be more like her. I got a big hug from her. What a beautiful heart & soul Paula showed to so many others. Paula, your spirit will be carried on as many have felt your beauty. Thank you & RIP

“ I have so many fun memories of Aunt Paula. We used to do sleepovers with her all the time when I was young. We would watch scary movies and she would always “get” us in the hallway to scare us. That made her laugh. She always told me of facts and memories of my family that had passed away. She introduced me to old classic movies and always took us shopping to buy us treats and gifts we wanted. She was always so generous and kind. You couldn’t leave her house without her giving you something to take home. She would just insist to have it even when you would politely say no. She loved her family and I will miss her greatly. I pray she is at peace with our Father in heaven and I know there will be a day we meet again. I love you Aunt Paula
Till we meet again.
Love

Paula was a special, wonderful, amazing woman. I grew up with Paula and have many fond memories. Paula loved life and her family. She never had a bad word to say about anyone. My deepest sympathy to Paula's family.

Deborah Riedel Ferreira - February 03, 2024 at 10:00 PM

Paula, was a light in the darkness for many young people in the 80s. Paula opened minds with her beaming smile as she hung coats. She opened her heart to a group of kids who were outcasts. She was one of the survivors who endured an entire generation dying too young and she supported her chosen and extended family through each loss with her kindness and compassion. Reconnecting in the age of Social Media was an unexpected gift. She was a rare diamond and we will all smile each time we think of you. Rest in Fierceness Miss Paula and know that you will live on in all of us whose lives you touched.
