“ *Royal Oak Schools has lost one of their biggest booster. We met years ago when we were involved with the PTA Council. Such great memories. Paula's accomplishments will always be part of the schools history. Paula, you have earned your wings.*

“ *So sorry to hear of your mother's passing. I'd run into her from time to time in Royal Oak in different places, introduce myself and we'd always have a brief chat and chuckle about Franklin and the PTA and how great Ralph's handwriting was as a kid. She always had a smile on her face as we talked, always sounded genuinely interested in the conversation and memories. I am sorry for your loss.*

“ In one's life there are friends to tie to, talents to be shared, and perhaps lingering memories worth preserving. Paula, you were, and will always be, all of those things to us. We love you. We will miss your hilarious expressions i.e. If it looks like a duck, ..., or 'It's like beating a dead horse', etc. We move to recognize the most **OUTSTANDING** Leader from Royal Oak, Seconded, and all are in favor.

“ Ralph, Angie, Christy and Adam....so many wonderful memories i have of your mom. All of our years on PTA together at Franklin, Keller and Dondero!!!! I still remember the day, when she was president of the PTA at Franklin. She came to the meeting a bit frazzled. That was the day she found out she was pregnant with Adam :- lol a day I will NEVER forget. YOU will be missed by so many...Terrie Gregory

“ To the family of Paula Lawson: Please accept my sincere sympathy for the loss of your loved one. While we don't know one another, experiencing the devastation of losing a loved one is something we all face in our lives. The Bible promises a time when "death will be no more" Rev 21:3.4 and assures us that God hears our prayers Ps 55:22. I hope this brings you some peace during this difficult time.

“ Chris I am so sorry for your loss. I didn't get the chance to know your mom personally but from all the stories we have spoken about I know she will be greatly missed. I personally know the pain of losing a mom and I know it hurts but be strong you will get thru it. My prayers go out to you and your family.

“ I was so blessed and will continue to be blessed by being a friend of Paula's. Like many others, there will be a huge void in my life with her physical passing, however, I know that her spirit will be with me always. I believe Paula was the wisest and kindest person I have ever known. What a genuine, no nonsense, tell-it-like-it-is, do the right thing, unselfish, giving spirit she had. Although she suffered at the end of her life, her two loving, attentive and giving daughters were right there with her every step of the way. I think it would make Paula happy to know that we who loved her will maintain a connection with those she loved.
