

Paulette A. Bonkoski

February 1, 1951 - May 23, 2022

Paulette Ann Bonkoski, age 71, of Eastpointe, passed away on May 23, 2022.

Dear sister of Diane Rottiers and Arthur Bonkoski; aunt of Justin Bailey and Beth Bonkoski Pestka; and great-aunt of Brandon Nordine and Stephanie Pestka. Also survived by many cousins. Predeceased by her parents, Ernest and Marie Bonkoski.

Paulette was quite simply a hero to her family. She lived a relatively long life, well past what the doctors expected, and she amazingly rarely complained. Paulette was very artistically inclined and enjoyed needlepoint, china painting, and embroidery work. She was also a big help around the home-always willing to handle the bills and paperwork that others preferred to avoid. She was essentially the household financial advisor-so enthusiastically so that one might kindly suggest she had earned a formal MBA in micromanagement. As a reflection of her warm personality, Paulette loved exchanging cards with people-she received quite the collection around the holidays-and she would painstakingly make sure that she wrote out a personalized message on all the cards she sent. She will be dearly missed.
