“ *God's garden:
God looked around his garden and found an empty place
He then looked down upon the earth and saw your tired face
He put his arms around you and lifted you to rest
With the help of his angels they flew you to your heavenly place
Gods garden must be beautiful, he always takes the best
He knew you were suffering, he knew you were in pain
He knew that you would never get well on earth again
He saw the road was getting rough and the hills too hard to climb
He closed your weary eyelids and whispered "peace be thine"
It broke our hearts to lose you but you didn't go alone
For part of us went with you the day god called you home.
Words cant describe the lose of someone so dear to me
I love you and I will miss you dearly Pauline you will always
be in my heart.*

“ *My heart is breaking for all of you that had the privilege of having Pauline in your lives. Pauline was not only a dear friend but my best friend for 25 years. We went through the good and bad together, but in the end always had laughter to get us through the day. I will miss her big smile and all the calls we made to each other to see how are day started out, good or bad we shrugged it off and went on to some of the great memories we had made. Pauline was one of a kind she cared deeply for her family and for everyone around, if you needed anything she was there for you.. God bless you my dear friend as you look down on us, I will always hear your laughter coming from my heart. Love you my Pauline you will always be in our lives.*

“ *Rick, Aunt Marie, Carolyn, and the whole Gronowski/Williams family: I'm so saddened today to get the news of Pauline's passing. There is certainly no way to pick out one memory of Pauline after the 59 years I've known her (since I was born). We spent so many great days and nights together with our families. We've laughed and cried, but mostly laughed. And I mean LAUGHED--until my sides hurt. She showed Carolyn and I the ropes over the years. I always looked up to her as an older sister (not that much older). Pauline's heart was bigger than anyone I've ever known. She'd give you the shirt off her back--literally. Her laugh is something I will never forget.*

I wish I could be there to remember Pauline, but unfortunately, I cannot travel to Michigan right now. I am certainly there in spirit though.

Much love to all of you.
