“ I cried so hard the first time I saw you with your head scarf on and you had lost your lashes/brows....you said, "I should have worn my wig." You looked so beautiful that day and I wish I would have told you that. I wish I wouldn't have cried so that you didnt have to feel "bad" about not wearing your wig. Even in one of the most difficult times of your life, you were still putting everyone else's feelings before yourself. I am going to miss you so much, especially next week on you and dads Bday. I love you always and forever Aunt Pauline. 💔

“ I had a dream last night that we were all hanging out in Pauline's kitchen at the lake house just laughing. I can't be sure but, if she was cooking in it, it had to be Woody's favorite biscuits and gravy. It all felt so recent and real. When I woke up, I had to regroup with what I knew to be true. Those were our "good old days" with Pauline and you John. I remember one Friday night at Bleachers when Woody got Pauline laughing so hard she just couldn't stop and of course her laugh was infectious and got us all going and crying by the end...and then those Friday nights in Hell, and the time we showed up on your deck sopping wet from the cold rain on the boat and had to commandeer your dryer. We had some fun times together and today the world seems a little less fun knowing that Pauline is no longer here with us. Time and distance came between us but we want you to know that we are always here for you John.
Love,
Kristi (& Woody)

“ In our busy lives we all forget sometimes to stop and give an old friend a call and let them know how much you miss them and love them and this is one of those times. I didn't know Pauline very well but grew up with John who is one of my best friend's ever...Do you know how long it's been since I had a Strawberry malt or worse yet got my big butt on a bike to go and get one! I wish I would have known Pauline better my gosh, what a smile, that smile could light a room, a heart, a stage, dance floor, football field! I wish you and all your family peace and hope that the hole in your heart quickly fills with fun memories and all the love you had for each other...
Big bear hug...Love you Deb

“ Such a ray of sunshine in my life always! The smile and the laugh they both came so easily to Pauline. She left a legacy in her beautiful daughter and grandchildren. She was a significant memory of a wonderful childhood filled with family memories. Large sit down dinners on the holidays, in my mom, Pauline (her namesake) and Dad's home or in the basement of her parents Aunt Helen and Uncle Pete's, basement. Great times, great laughs and a giggle that warms the cockles of your heart. She always cared how you were doing, really cared. Not very many people that can make you feel that way. I can't wait to see you again Pauline, and give you the same warm hugs that you always gave me! Love you forever, Your Cousin Angela

“ *I didn't know her very well but what I did know is that she was a beautiful person. I remember going to her and John's new house in Howell and having Easter Dinner. She was a great cook and also a great hostess. She had such a terrific smile and I will remember her forever. She also gave me a great daughter-in-law Leanne.*

“ *Pauline and I worked together at Crestwood for a few years in the 80's and I was so sad when she left....all I remember is constant fun and laughter we had, in and outside of work....Her beauty, smile and contagious laughter is something that I will always hold dear....We had some GREAT times back in the day and Great memories...I only wish that we had stayed in better contact over the years....I am so thankful that I was able to visit her in the hospital just a few short weeks ago to reminisce...we laughed, once again and to see her beauty, smile and that wonderful laugh once again truly warms my heart. She was a light that burned bright to all that met her....Rest in peace dear friend....Love, hugs and prayers to John, LeAnn and to the rest of her friends and family...We are all better to have known and loved you....Lisa*
