“ We were neighbors right next door to the Geisters for several years. Mrs. Geister was always smiling and would invite us in to see her doll collection. It was magical and a little spooky down there in the basement. Always an exciting adventure. We had alot of fun times Up North, too. My parents, Bill and Ethel Dixon, remember taking ballroom dancing lessons with Paula and Frank. My mom even took belly dancing lessons with Paula! I don't remember that myself. What a fun friend she was to my mom. Steve, you are an inspiration by the way you devoted yourself to caring for your mom. She was truly blessed by your dedication and love for her. God smiles on such selfless love and service. Know that you are in our prayers.

God's peace,

“ Dear Steve and Gary,
Thinking about you and Aunt Paula today. The "first" holidays, anniversaries, special occasions after a love one passes are celebrated or observed with a heavy heart and their absence is deeply felt. I hope the loving memories of Aunt Paula help to sooth any sadness for both of you today and days to come. I have so many wonderful memories of my special aunt and can hear her laughter and see her smile. So many fun times at her house for family gatherings and of course up north. Wishing you both a Happy Easter - Jill.

“ As a neighbor and friend of Paula and family for 50 years, we will miss her but know she's in a better place. She was brave during all of her illnesses and had the loving care of Steve to get her through. You would never find a more devoted son! It's hard for you now, Steve, because of your closeness, but you have many loving memories to see you through. My children still remember when she baked coins in a cake for one of your birthdays! That's a memory they cherish!
