“ Mady, you were always so kind to our family. When I commented to you that you were so tiny, you replied: I am small, but mighty! It was so very true. So hard working and full of energy all in a little package. Your devotion to Alicia and your darling grandkids was inspiring. Our families adopted each other years ago and even though you are not here physically, you will still be with us at heart. Thank you, Dear Mady for being so great to my Mom. You will always be appreciated, loved and missed. It is so hard to believe you are not next door with a ready smile and that cute little giggle. We will keep your memory alive for Dakota, Zachary and Savannah, the "Grammy Fan Club". They will know you completely adored them. Rest in Peace. With Love Always, Dan, Lisa, Stacy, Macy and Howie
