“ I just heard from my mother & she sent me Mrs. Mato's obituary. I am very sorry for your loss. Diane & I were friends at Precious Blood & were in Girl Scouts together. We continued our friendship until, as life has it, we drifted apart. We got back together years ago & had a lot of laughs but I went back to California and we've drifted apart again. This is fine because we all must move on, but I wanted you to know that your in my thoughts & prayers. By the way, the photo of your Mom was great! And my mother only had fond memories of both your mother & father. Send a line if you get a chance. Pat
