“ *Life has not been the same since you were called home by our Creator. I miss your smile, your gentle voice and your calm vibes. You always thought about others before yourself. You were one of the most...sweetest, kindest and most gentle of souls I ever knew. I don't know if you ever realized how funny you were, without even trying to be. The laughter, and all the love you gave me and everyone else whose lives you touched along the way will never be forgotten. I miss and love you SO much Pearly Pearl❤️. Love Always, Barb*

Our family had the pleasure of living across the street from Don and Pearl from 1996-2009. They were the sweetest neighbors and our children adored them, we loved our visits on the porch while they were swinging. It was a joy when I cut Pearls hair, we had such great conversation! Both Pearl and Don were perfect neighbors and they were always there to show themselves helpful and so friendly. Pearl truly was a faithful, loyal, and joyful lady.
Sending our sincere condolences!
