“ Growing up next to the Stewart's created wonderful memories for all of us- going to the lake, drive in movies, or making projects. Mrs. Stewart was kind, caring, and loving . I'm grateful she was part of my childhood as well as my visits home💕💕

“ My husband Jim and I first met Peg when we joined the Huntington Woods Men's Club. When Jim became President of the Club back in the late 80's, one of the most popular outings for the Club members, wives and guests was feather bowling at the Cadieux Cafe in Detroit. Peg's husband, Bill, passed away in July of 87, and Peg proudly maintained the Men's Club membership. We soon learned how enthusiastic Peg was about feather bowling! She would call Jim each year to ask, "When is feather bowling scheduled?" She never missed that outing! Not only did she enjoy the game, she was a very skilled feather bowler! When Peg was on your team, you quickly learned she was the team's secret weapon and you were sure to win! Jim and I will always have very fond memories of Peg as a sweet, quiet, happy, humble gal, who had an underlying, fierce competitiveness in her when it came to Feather bowling! God Bless you, Peg! If there's feather bowling in Heaven, we hope you are perpetually closest to the feather. With love, Lori and Jim Dwan

“ Peg was like my office mom and dear friend. She was a good listener and gave advice (whether you asked for it or not - but it was always good advice). She was a wise and giving lady. I loved our lunch get togethers. She loved her family and was so proud of them and her beautiful grand children. I will miss you Peg. Thank you for 23 years of friendship. Xoxo

“ Peg was a special person who loved her family and always had a smile on her face. I worked with her at Michigan Financial from 1997 until her retirement a number of years ago. She was a great teammate to work with and always cheerfully willing to help. I appreciated all the help she always gave me. My prayers are with Peg and her entire family. God Bless Peg Stewart.

“ Peg was a sweet, fun and classy lady. I will always remember her kindness and thoughtful gestures. I first met her in the late 90's when she was working at Michigan Financial Companies when we were affiliated with Phoenix. Her devotion to her Michigan Financial family was inspiring and she will be missed. Love from San Antonio, Texas to the Stewart family.

“ My thoughts are with Peg's family at this difficult time. We shared good times for many years. Peg was kind, generous and supportive in her own quiet style when someone needed it.  
She will be missed. Rest in peace now, Peg.
