Peggy Ann Amell (Jones) 8/31/1947 - 9/29/2020

Peggy lost her battle with Alzheimer's disease on Tuesday, September 29, at the age of 73.

She is preceded in death by her parents, Murl and Marguerite Jones and in-laws, Roy and Bernice Amell. Also preceded in death by her spouse, Dan Amell, passing 4 years ago to Lewy Body Dementia. They were married 48 years.

She is survived by two children, Becky (Tom) Pelant and Ben (Jennifer) Amell and has 7 grandchildren - Abbi Amell (21), Riley Pelant (17), Trey Pelant (16), Addison Pelant (13), Bridget Amell (11), Lauren Amell (11) and Ryan Amell (2). Also survived by her 3 siblings and 3 in-laws and their spouses, Vera Hernandez, Ken (Odette) Jones, Ginger Jones, John (Mary) Amell, Janice (Tom) Piira and Robin (Brian) Murawski.

Peggy and Dan grew up in Royal Oak, Michigan and were high school sweethearts. Peggy danced for over 30 years and you could often find her dancing in the kitchen. She had a love of gardening and could get anything to bloom. She taught elementary school in Royal Oak and specialized in Reading Readiness, and she was a lifetime member of Shrine of the Little

Flower Catholic Church.

No funeral services will be held at this time. We hope to have a celebration of life when everyone can be comfortable getting together and sharing hugs and stories. In lieu of flowers, the family welcomes a tribute donation to the Alzheimer's Association: [act.alz.org](http://act.alz.org).

“Peggy and I taught together at Whittier school in Royal Oak. We had lunch together with other friends every day. Our group became very close, sharing good times and not so good. Peggy was a much loved teacher by her students. She often spoke of her family with love and pride.

“Peggy and Dan were our very special life-long friends! We miss them terribly. We were sailing and traveling buddies for over 40 years! Peggy was always fun to be with and Dan kept us all laughing. I always marveled how they were high school sweethearts whose love just continued to grow as the years passed! Rather than grow apart; they seemed to just grow closer and more in love. We knew and loved them for over 40 years. May their souls rest in peace. Cami and Dave

“ *Mom was a special person that loved her family dearly. She would dance the minute a song came on. Thank you for teaching me the right things to do and say. I will miss her but am glad she is finally free of the disease. My she Rest In Peace with Jesus.*

“Peggy and I spent many Saturday nights at Provision dancing the night away to Little Richard, Johnny Cash, The Temptations, The Four Tops, and all types of music in between!!! Music made her smile, and my family and I am so blessed that Peggy was in our lives, even for a short period of time.

Our thoughts and prayers are with Peggy's family. She will ALWAYS hold a very special place in our hearts. Our thoughts and prayers are with her family.

Love,

Nomi (Provision resident), Michael (Nomi's husband); and Lani (daughter).
