“ I am so sorry to hear this about our friend Pete. Pete was a remarkable man always making jokes and telling the most amazing stories. I especially love hearing about the time he fell off a 40 foot ladder (luckily he was only on the first step). Pete was a mentor to many, myself included. He was a pioneer of his times and taught me much in the field of real estate and construction. Everywhere Pete went, he knew someone and was helping in some way. I will forever miss our Friday conversations and having lunch at Jimmys (NO PICKLES). Thank you for all you have done Pete. I love you buddy.

“ Though I had only met Mr. Mancour personally a handful of times, he struck me as an amazing, awesome person. My Dad, Gary Durkee, has been friends with Pete for as long as I can remember, longer actually! Must be 40 + years. I know my Dad is really broken up and sad because Pete was a big part of his life. Thank you for allowing me give my sincerest condolences.

“ What a privilege to have known Pete, and to have served on the Historical Commission with him for several years. Pete was always ready to help with projects whenever his expertise was needed. He will truly be missed.
Rest in Peace Pete.
