“ Sorry to hear about you dad, Beth. Oddly enough, my father took me for my first hair cut at Fred's Barber Shop. A flat top with pomeade to keep the front sticking straight up.

“ When I was a little girl, Pete was a great neighbor. It was great fun when he would play croquet with all of us kids in his yard. One time he even let me ride his brothers bike that use to hang in his garage. It was a very special bike and I felt very proud to ride it. The most exciting times were when he would take us all to the Royal Oak Drive Inn. He would drive over the speed bumps on Cooliage Road fast enough so that we all bounced around in the back seat. Oh, it was so much fun. Thank you Pete for so many good memories.
