“ Dad-I would have wanted to be there to help you through this. I didn't know. I am sorry you went through it without your children. We loved you and I know you loved us. I forgive you for everything. I forgive myself. I forgive your wife for wanting you to herself. She did not know any better. You knew that. I miss you. Your grandkids never knew you. They have your gifts. You would love to see Ian play music and Maddie pound the volleyball, as you did. They will make your gifts their own, as I did. Missing you..... your mary ann
