“ *I just very recently learned of Pete's passing and want to pass along my belated condolences to his family. I worked with Pete on a couple of contracts. I'll have to share a story about one of those projects another time. For now, I'm just sitting here on Thanksgiving watching his beloved Lions attempting a comeback against the Packers and thinking of Pete, thankful that he was part of my life.*

“ *It is with heartfelt sadness that we learned of our Cousin Peter's passing. Although memories are distant, they are still cherished. We especially looked forward to when our young cousin came to visit the Shaull house. There was non-stop playing and fun, followed by a "sleep-over" (but the sleeping didn't happen until after the traditional pillow fight!) Enjoy the few pictures we've shared on this site. Sending our sincere condolences to all who knew and loved Peter . . . Chuck, Sue, Steve, Judy, Nancy, Tommy, Debbie, Ronnie, Sally and Jimmy Shaull*

“ I have a P.S. from my sister Judy, who lives in Australia now!

And I quote:

"I did know Peter as I was one of the older who remember when he would stay over at our house in the summers. e was very sweet, just like his mom and dad."

I wish I was his age back then because I've now heard several great stories about Peter's visits to Illinois!

“ This is Ron Shaull (son of Florence Risler)

I was very young when I met Peter while I lived with the Reuters in Sandusky, MI. I remember him as an independent free spirited person. I believe I even thought he was a hippie!

I'm glad he settled down and had children and even grandchildren 😊

I hope he is enjoying a reunion with his incredible Mother and Father!

“ This is James Lundgren (son of Jeanette Risler/Lundgren)

I enjoyed when Peter and Charlie came to visit and Charlie came with his baseball glove and Peter came with his radio. Peter talked about using his Ham radio and how he talked to different friends all over the country. Jeanette found out he liked to play the piano, so she would give him private lessons!! He would play music he liked, such as Moonlight Sonata and Fur Elise, just to mention a few.

On the technical side, he hooked up a cassette recorder (not an IPod) to Jeanette's stereo speakers so she could play her cassettes made of her popular music on the piano! He also went to Jeanette's Church to hear her play the organ!

I remember as a kid going to Sandusky and how much Peter and Charlie enjoyed being with their pet Collie, Tippy. I also remember them helping their father, Louie, in the garden! I joined them and helped pick corn, strawberries and tomatoes!
