“ *Dear JoAnne: My deepest sympathy to you and your family at the loss of your father. My prayers are with him and with you. Tomorrow I am attending another funeral to which I have committed the driving. It would be good to see all of you again. It is just about 2 years after the death of Bob March 14th, and it is still sad although life must go on. Take care of yourselves and you will be in my thoughts. May your lives go on peacefully. Sincerely, Suzanne*
