“ We lost one of the nicest neighbors and friend that anyone could wish for. Pete was always had a kind and infectious smile. He was a helping hand whenever anyone needed anything. He enjoyed his independence for a long time. We'll miss his "still kicking" phrase that he used when one would ask how he was doing.

“ In addition to my best friend, Jackie Gaggi, her family played a significant role in my life. I adored her parents. Mr. Gaggi was always cheerful and friendly with me. He would greet me with. "and how is Lindy Lou?" I remember him as a constant in my years growing up. He and Clara were wonderful role models as a long term married loving couple. The Gaggi home always felt loving and secure for me. My mother loved the Gaggi family as did my sisters. We were blessed to have had them in our lives. May Peter rest in peace.
