“ So sorry for your loss. I remember Phil chewing on a straw or toothpick while coaching hockey. Loved the hat he wore. He had a colorful personality and a great perspective on life. Always fun to talk with him.
He will be missed by many.

“ *The world lost a great guy! A family man and no doubt about it a great dad to his 5 kids!*

I will always remember going to Auntie Jo and Uncle Phil's house swimming and playing whiffle ball in the summer and playing hockey on the backyard rink and watching hockey night in Canada in the winter.countless sleepovers with Uncle Phil yelling up the stairs "quit jumping on those beds"

Uncle Phil thanks for a lifetime of memories and a special thank you for being good to me and my two kids !

“ *Phil & Jo were a key part of my family's memories as we kids were growing up in Belleville Ontario. When he was a teen, he would wheel me around in the basket hanging from the front of his bike!*

Over the many years after they moved to the Detroit area, whenever they would return to Jo's home in Stirling, they always made it a point to drop in and visit my Mom & Dad...and they always brought laughs & smiles along with the odd device transported over the border for Mom! Phil helped correct many electrical deficiencies (somewhat caused by my Dad) in the home. And my now adult daughter Tammy still remembers our memorable trip to Detroit for Debbie's wedding!

Thanks for the memories Phil...you will never be forgotten!
