“ *My Family and I were fortunate to have been part of Philis's unwavering conservative values, her ability to bring people together on issues dear to her heart and her willingness to fight for what she believed in. Most of all, her endless LOVE for ROGER.*

*I will miss her terribly. She was such a big part of my life and Family's for over 38 years.*

“ We met philis while taking care of her little puppy pepper. She was wonderful. A true blue American and powerful prayer warriors. Full of information about God's word and about government. We will miss her so much

*Philis was such a kind and loving person. She embraced life and those around her. She was very compassionate about her conservative views and everyone knew not to take her on. She always shared loving stories about her husband, Roger and their fur babies. Philis was a very proud Christian and did a prayer list daily praying for so many of us! I will miss you always my friend...*

*I knew Philis when she was the Chair of the Board's Health Services Committee. We didn't always agree, but we respected each other and got along well. She was a decent, caring human being, and I wish we had more like her. -- Steve Gold*
