“ Immortality Do not stand at my grave and weep, I am not there, I do not sleep. I am a thousand winds that blow, I am the diamond glints on snow, I am the sunlight on ripenend grain, I am the gentle autumn rain. When you awake in the morning's hush, I am the swift upflinging rush Of quiet birds in curling flight I am the soft star shine at night. Do not stand at my grave and cry, I am not there, I did not die. --Author unknown
