“ *Phyllis was one of my first friends when we moved to Sterling Hts in 1976. She was our neighborhood Avon Lady then, but soon became a good friend. Our families were intertwined as our children became good friends and our husbands and sons even worked together for a while. Phyllis was a very special and kind person who always thought of others. She will be greatly missed. Her legacy lives on in her beautiful family. GOD Bless you all! Elsie Wolfe and Family*

“ Heaven has been blessed with a beautiful soul. Phyllis had unconditional love for everyone who walked her path with her. The love she had for her husband Herman and her family radiated on her face. When she spoke of them her eyes would lit up with such caring love for each one in their own way. Phyllis's caring way, love for her family and our many talks will forever touch my heart. Thank you Phyllis for blessing my life. I will forever hold a special place in my heart for my angel buddy. Love Theresa
