“ *Bill, Brad and Mom, Know that Becky will always be in my heart and in my memories. I'll continue to cherish the moments I had with her. She was the best sister, always putting others ahead of herself. She will be greatly missed...*

“ Bill - You don't know me, but I have been taking the RCIA classes at St. Anastasia's for the past six weeks, and Becky and I always sat by each other. The last week that I saw her we were chuckling together because the director was naming certain pertinent weekends that we would be doing special things thru RCIA. This coming weekend we are being introduced to the congregation and Becky whispered to me that she would be in Florida, and then the director mentioned another weekend in the New Year and Becky whispered again, "I'll be in Hawaii." I didn't know her for long, but what I learned about her these past few weeks I was really excited about having a new friend. She told me all about her son, and that she wanted to join The Church because you and she had decided to raise Bradley Catholic. She also told me that she had been attending the Catholic church for a long long time. On that last Sunday, she showed me something in her Bible at the end, that outlined the scriptures for the coming years. I loved the way that she had so carefully adhered the books of the Bible on to each chapter. RCIA will never seem the same to me. I shall miss her and I also grieve a friendship that just started to bloom. I will pray for you and your son.

“ I am sorry to hear that Becky passed. You have my deepest sympathy. I was glad to see Becky just last month here at BCBSM. We greeted each other with a hug. She was smiling and beautiful as usual. I used to work with Becky in the purchasing department. Becky was responsible for me being hired at BCBSM about seven years ago. She will be remembered as a caring loving person -- concerned for the welfare of others. Lydia Smith-Harrison

“ My condolences to the family. Becky worked for me here at BCBS. Actually, I was trying to woo her back. I'm very sorry. God has the ability to comfort. and sooth if we allow him to. Put your trust, heart, and soul in him and everything will be OK.

“ *The loss of our Becky leaves a hole in our hearts. She is deeply missed. There are many memories of my 'Ruby' - but they don't compare to the love she gave to her family. Bill, Bradley and Pat - you have our unwavering love and support. Please know that we are here for you. Our love, Aunt Mary and Uncle Rob*

“ *Becky will certainly be missed by her family but she will also be missed by her CenCorp family. We all enjoyed playing golf with Becky this past summer. Bill, if there is anything we can do to help ease your burden, please let us know.*
