“ I am truly sorry for the loss of my friend whom I haven't known that long, but became my best friend. It saddens me to know that she is gone. But I do know that she holds a place in my heart. To L and their four children I am here if you need me for anything. Just remember God has her and she is ok. No more pain and suffering. I know the main thing she would be worried about is if her children would be ok. They are in good hands of their Father so she can rest peacefully.
