

Ralph Buszek

July 13, 1951 - February 16, 2020

Ralph Buszek, age 68, of Royal Oak, passed away on February 16, 2020. He was born on July 13, 1951 in Detroit to Walter and Hedwig Buszek.

Ralph will be most dearly remembered for his love for his family and friends. In his time working in the automotive industry, Ralph was known as the 'cruise director.' Back in the day Ralph could be found on the golf course with his friends and their mismatched sets of golf clubs, but some of Ralph's fondest memories were of the holidays, in particular Christmas time when he would pull pranks on his wife, Karen, and daughter, Pam. Ralph loved to see the reactions of the people that he gave gifts to more than anything. His other hobbies were watching sci-fi, horror, and classic movies and shopping for antiques on Ebay. When he could, Ralph and Karen would go on drives or spend time by the water. Ralph cherished memories from his childhood and brought the same joy into making new memories with his family over the years.

Loving husband of Karen. Caring father of Pam Buszek. Dear son of the late Walter J. Buszek and Hedwig B. Buszek. Also survived by his rescue dog whom he loved, Daisy. Memorial contributions to Heavenly Paws of Michigan are appreciated. Share your memories at www.sullivanfuneraldirectors.com.
