“ I remember being taken to school at Greenfield Union and being at 7 Mile Quality Market behind my home on Brentwood. All the time that Ralph was at my home in Ferndale and later all the times he came to see me in Beaverton while seeing a grandson at Central. He got me my first car, job among other things. Going to see him at his home in Southfield and then the apartment at Oxford Towers. All these things done with my Mother who for 35 years, just happened NOT!!! to be his wife. Oh yes, we all have memories of Ralph. Just different from other people's

“ Grandpa, Russ and I love you dearly and we will miss you so much. We will always remember all the good stories you'd tell us when we would come over for a visit. When we listen to our favorite Italian music by Andrea Bocelli it will remind us of you and we will smile! We love you - Julie & Russ.

“ Grandpa, I love you dearly and will miss you immensely. May God hold you in the palm of His Hand as you enter your new, everlasting life. Please look down on me and guide me through the daily rigors of life until we meet again. On that day, my tears will be gone and I will be overwhelmed with joy. Love, Greg
