“ I just now learned of Randi’s passing. I am heartbroken. She was a wonderful friend, the most intellectual and spiritual friend of my life. She was my spiritual midwife. Like a sister.

“ I just learned of Randi's passing and am saddened that the Center Line Class of 1963 was not able to send our condolences to the family. As a classmate, I remember her friendly ways and her good-hearted nature. I last saw Randi at her beautiful home a few summers ago for a birthday party. She was a good hostess, making everyone feel welcomed. May she receive her eternal reward. Judy Holmes

“ Going to miss Ted's sister and my sister-in-law. We had good times together when we were both new brides, when we both had our first child and many, many parties and dinners together. Going to miss when Ted and I would go out to eat giving her a call and she'd come meet us. Left to soon. We loved you and you will be missed Randi.  
RIP
