“ Sad to hear of the Passing of my Good Friend Randy. I grew up with Randy in the 1970's & 1980's. I met him probably around 1971 or 72 when I was 7 or 8 years old. I would ride my Bicycle home from Flickinger Elementary School. Randy would be waiting for me at the end of the Driveway & chase me home. A year or 2 later my Dad bought me a little Motorcycle, a Honda XR75. I would sometimes ride it in a Field next to Flickinger Elementary School. Randy would come over & ask to Ride my Motorcycle & that's how we became Friends. Then we got older, old enough to Drive I can Remember spending lots of Time with Randy Wrenching on Cars in His Garage. He would always be wanting to find a Little Dodge Dart & Stuff a big 440 Motor into it. He must of done this 4 or 5 times. I can Remember him & me Taking his Moms Yellow Station Wagon to his Farm in North Branch & Baja & Racing through the Field behind there Barn. Many Good Times & Memmories. Last I seen Randy was in the mid to late 90's. So have not seen him in over 20 Years. Really Sad I did not get to talk to him before his Passing LEON HAMPTON.

“ I will always remember my Uncle for his laugh and his overall happy nature. I miss the days being little when he would let us climb all over him and play with us. I will miss his sarcasm, and his teasing. He was a good man, and I will miss him and his smile dearly.

*My best memories with Randy was simply cuddling on the couch to regular TV shows, no cable. He was a great cuddler , so soft and warm sharing his blankie with me in his jammy pants. Back in the 80s & 90s I worked late but I would let myself in and snuggle up to him. He was so strong and gentle and would carry me up the stairs like Scarlet Ohara . A true gentleman. Hes been lonely the past few years, not as many friends dropping in , everyone getting older with grandkids. He was just getting ready to retire , had plans to travel , kick back and take it easy. He deserved it. Life like fireworks go by in a flash. Live each day to its fullest. All my love to his grieving family members.*
