

Randy L Mueller

February 27, 1947 - April 17, 2023

Randy L Mueller (76) of Almont, Michigan, passed away on April 17th, 2023.

Randy is survived by his wife Julie of 54 years and two children, Randall and Becca (Sean). He is also survived by his sister, Lynn, and brother Glenn. He was predeceased by his brother John III.

Randy had a big personality and an even bigger heart! He saw the good in everybody and always found a way to make everyone around him laugh and be happy. He livened up the room anywhere he went, cracking jokes, funny voices, made-up languages, dances, and of course the disappearing dollar trick. His favorite role was being a father. He loved nothing more than spending time with his adult children, Randall and Becca. He was always there for them and they shared so many fun and loving memories. He will be deeply missed and live on in our hearts forever.

Family and friends will be having a private Celebration of Life.

Randy loved all animals, so in lieu of flowers, you may donate to Lapeer County Animal Shelter.
