“ I have so many memories of my cousin Randy. He was more than a cousin to me he was a big brother. He had a heart of gold and was always there for everyone whenever they needed him. He was the silly funny guy that always had that big smile on his face. Words can not express how broken I am having lost him. The only thing that gives me any peace is that he is up there with his mom my Aunt Donna watching over me. Randy thank you for always protecting me and being someone I could always depend on and look up too. I love you and miss you so much. Rest In Peace ❤️

“ My condolences to the entire Radulski family, Ashley, and to anyone who loved and knew Randy. Randy and I met working at Brio Partridge Creek years ago, and he was just such a genuinely good human. He helped me through some of the toughest times of my life, and I will never forget him and all of our good times and laughs throughout the years. Rest in Peace Randy.

Ken, my heart aches for you and your family. The loss of your wife Donna and now son Randy is so hard to understand. My thoughts, hugs and prayers are with each of you. Due to the Covid-19 virus I didn't attend Donna's service and will be able to attend Randy's. A difficult decision to make. But due to my age and of course and Covid, I feel it's best. I had vaccine April 8th and have basically stayed home for over a yr. GOD BLESS YOU, prayers that you will continue to recover as well. Irene Sherman, Jerry's sister.
