“ Raelene, Michele and Annette...I can never find the "right" words to say at times like this. When I think of your dad, I remember him smiling and laughing--having a great time at all of those famous garage and basement parties, hearing the escapades of our parents from their trips together, sharing vacations and a million memories from a friendship of over 50 years. Hey, do you think all of them are up there in heaven having one heckuva party?! : Oh yeahhh!

“ I never had the pleasure nor honor of ever meeting Ray, but I have learned about him through his daughter Michele. I learned that this man was one of the most loving and caring fathers that there could ever be. He raised three beautiful daughters, all of whom he is very proud of and loves oh so dearly.. INDEED. "Oh Dear Lord, please hear my prayer... I ask that you give Ray's daughters some comfort and peace... this from knowing that their honorable and loving father is now resting... and that he now resides in The Kingdom of God... as he stands along side The Lamb... being welcomed by God Almighty Himself... from high atop His Holy Throne". Rest in peace Brother Ray. Amen....
