“ To Aunt Lorraine, Cousin Dan, Janice, Barbara and Michael / All Other Family Members; Our Thoughts and Prayers are with all of you, at this Sad Time ! I can still remember , Uncle Ray Singing all the Time, at The McMahan Family Gatherings. The 1 song that sticks out is " Olde Danny Boy ". And Hearing all about Your Father and Mothers, Trip to Ireland ! When My Mother was in the Hospital, I would stop at McDonalds on 14 Mile Road and I would always see, your Father Uncle Ray, having Breakfast with his Buddys. Uncle Ray would also ask about My Mother ! What a thoughtful Man and Uncle he was! "GOD BLESS YOU UNCLE RAY !" We All Have Another Angel In Heaven, Watching Over Us! So Sorry I Couldn't Make It To Uncle Rays Funeral, My Children have been sick with Strep Throat. Love To All Of You!

“ We were inspired by Ray's descriptions of Nomad-ic travels around the globe . . . and by the spirit of lifelong learning, exploration and adventure they reflect. Benefits of friendship with the McMahan family include the gift of meeting members such as Ray. It's clear why subsequent generations are just as admirable -- a rich legacy, as well as a testament to his guidance and love. Alan and Susan Stamm Birmingham, MI

“ To Jan and Her Family, I am so sorry for your loss. I have known you, Jan, for almost fifteen years. You have always spoken so fondly of your Dad and have shared some great stories. I know the past few years have been difficult but I'm glad your Dad is at peace now. I hate this part of us getting older and having to deal with all these losses for ourselves and our friends. You know I'm here to support you and I'm sending hugs to you and your family. Love,
