“ He was an awesome uncle who I could tell him anything and never repeated to anyone, I loved him unconditionally as a person and relative

“ My sympathy to Raymond's family; he was a lovely person. I'm his California cousin .
I'll always remember Raymond's birthday because we were one month apart. Though we have seen very little of each other through the years, I have fond memories of our childhood, running around grandma's old oak dining room table chasing each other and laughing and laughing.
My heart goes out to you Joyce and your family. I'm sure he'll be missed
God Bless,
Cousin Annette Zammit

“ *And to think that many of of Ray's oldest friends and schoolmates had the good fortune of seeing him again -- for what turned out to be the last time -- just a few days before he passed away.*

At the time we talked about his scheduled second set of stent installations and he knew the risk involved but said that he had come to terms with it and that he had lived a full life and was ready to accept whatever outcome.

He was a man at peace with himself and that was nice to see.

I am so happy that he had a chance with Joyce and their son to visit the land of his forefathers a few years ago, something that kind of completes the circle of life.

Sail on brave soul. We shall all be catching up with you sooner than we realize.

Fond remembrances,

Bill and Paula Casey

“ I met Raymond and Joyce for the first time up at my in-law's summer place in Port Hope. My mother-in-law and Raymond's fathers were brother and sister. Joey and Marsha were little and dressed in their pajamas running around between the two mobile homes! Always good times. Seeing Raymond and Joyce enjoying their family made me excited to begin mine.
