“ *Ray, As we look back over time We find ourselves wondering Did we remember to thank you enough For all you have done for us? For all the times you were by our sides To help and support us To celebrate our successes To understand our problems And accept our defeats? Or for teaching us by your example, The value of hard work, good judgement, Courage and integrity? We wonder if we ever thanked you For the sacrifices you made. To let us have the very best? And for the simple things Like laughter, smiles and times we shared? If we have forgotten to show our Gratitude enough for all the things you did, We're thanking you now. And we are hoping you knew all along, How much you meant to us.*

“ *To Jean, and to Ray's family: Please know of my condolences and prayers for Ray and for all of you. As you know, my "connection" with Ray goes back to a relative who knew my grandmother. Ray was a gracious, direct and thoughtful man who knew what he wanted and was fair and careful in business and personal matters. May his soul rest in peace, and may his memory be a comfort.*
