“ Uncle Ray has always held a special place in my heart. He was not only my uncle but he was my Godfather. He lived up to that role many times. As a teen he took me in and gave me a loving home. I don't know if Aunt Carol ever shared this with him but that time of my life was when I realized how much I could do. That's because they encouraged me to focus on school. I could go on forever with the wonderful memories I have but that time will always stick out in my head. RIP Uncle Ray and tell Aunt Carol Hi.
