“ *I just found out today Becky, when I went to my parents graves that you have left this earth to join God in heaven. I can't even imagine it but I do remember your sweet little round face, as my flower girl and as a fine young woman the last time I saw you. I celebrate your spirit and determination to find happiness and love in your life. I'm sure you're dancing in heaven! I love you, aunt Joy & Liz*

“ I love you Beck with all my heart. You took a piece of my heart with you. But, instead of it being smaller because of that, it is swollen with the grace you've taught me. There will not be a day that goes by that I do not think of you ... until we meet again. Your loving sister and best buddy.
