"If Only" by Ron Tranmer

If only, my child, I could send,
A basket filled with love,
And pretty blue forget-me-not's
To your new home above.

If only I could send a hug
Past every twinkling star,
And a suitcase filled with kisses
Up to heaven where you are.

If only I could rock you
As I did not long ago,
And sing you one more lullaby
Before you had to go.

If only's fill my every thoughts
As my heart is aching for you.
With faith, I'll wait until the time
"If only's" all come true.
