“ Aunt Reina was the reason I became a teacher 35 years ago! Helping her set up her fifth grade classroom at St. Lawrence in the late 60's was the spark I needed to pursue this wonderful career. She was my first teacher mentor and I am always grateful for that. Love you Aunt Reina--Yvonne Wirth

One of the best “lay” teachers as we used to call them that SLS ever had. She was a great person with a real instinct for education. May the angels welcome you to Paradise. Donna Griffiths

“ *She was my fourth and seventh grade teacher...*

I remember that at the end of our 4th grade class she would read to us.. which I really loved.

She exemplified true dedication...

“ *Mrs Svacha was my 5th grade teacher. I just have to share that I think about her in doing my job daily after surviving her unforgettable diagramming 5th grade "boot camp." I now help kids with their language skills in a school setting and no part of grammar is not forever eternally linked to her!! Thank you Mrs Svacha!! -Amy Repicky*

Mrs Svacha was one of my favorite teachers at Saint Lawrence. I ran into her many, many years after graduation and it was remarkable that she remembered my name. She was a lovely lady who will not be forgotten.
