“ Mrs. DeSchutter and family, I was so incredibly saddened to hear today about Mr. DeSchutter's passing. The both of you were friends with my parents for so so long and it evoked many memories of bringing the kids up to the bowling alley when they were young and then going to Louie's with everyone. Now my dad has another friend in heaven with him. That is a comfort. May you draw comfort from knowing that so many people care about you and are keeping you in their hearts at this difficult time. God Bless. Donna Gleason Peurach

“ Dear Connie and family, We will always smile whenever Rene's name is mentioned, because he had such a great sense of humor. We loved our visits to your home and Gaylord. It was great getting to know my cousins better. Rene had such a contagious zest for life! We will miss him. I'm sure Aunt Gertrude and Uncle Mick are happy to be with him again.

“ Grandpa, you were one of the BEST grandpas ever! Your smile could fill up a room with smiles, because we knew that you were happy and your jokes could always make us laugh. You have 15 proud grandchildren and we all love you so much. Thank you for being a wonderful and adventurous grandpa and telling us all your stories. I'll never forget our memories that we have shared together. You are now another guardian angel that I have, and I will carry you in my heart forever. I love you so much and miss you. I am so glad to be named after you and so very blessed. Love your granddaughter, Cortney "Rene" Papenberg.
