“ Aunt Renee was one of the sweetest persons I have had the pleasure to know. She always welcomed me to her home and I loved playing there as a child. So many good memories. There will always be a special place in my heart for my Aunt Renee and the entire Dettloff family. Rest in peace dear lady.

“ Cousins

The last of a generation. I like to think Aunt Renee was met by the rest of her family and at this moment is sharing stories of a life well lived. The loss will linger on but so will the gain; for your mom is in a better position to help you transition the remainder of your journey - just as she always has.

“ What an amazing person, what a wonderful mother, there is no way that you could have done it better. You are the Gordie Howe, Babe Ruth of motherhood. Certainly the best, could not have been done better. Priceless!!!! Love you Mom.

*Mrs D was one of the kindest people that I can remember from my childhood. She always had something good to say along with a question "how's your family". We always looked forward to her greeting us at her door and her laugh about what her children's (usually the boys) escapades.
We all will miss you Mrs D.

Aunt Renee, I loved you dearly. So many great memories of growing up with your family. You and Uncle George were always there for me, especially after my parents moved to Clare. I will miss you. Charlie and I will always cherish the times we spent with you. Love, Barbara
