“ *Saddened . Lost touch with Renee over 30 years ago . Met her at Van Beau costumes where we worked together . Life drove amid apart but I never forgot her . Had her so in my mind and decided to google her name and this came up.. so sorry to hear her brothers passed as well. I will never forget her kind friendship when I had no one . Taught me how to play chopsticks on the piano . She was so beautiful even when she was in her early 20's. She was special, kind and genuine . I never foegot and never will . I can't say enough about what her kindness meant to me*
