“ *Renee was a childhood friend of mine that I met from Denise and Michelle. We used to hang out at Denise's house a lot. Renee was quite the athlete and very fun to be around. My thoughts and prayers are with your family during this difficult time.*

“ *So, so sorry to hear about Renee's passing. Though I haven't seen her since high school, she was definitely one of the nicest, sweetest girls from LC North. She will be missed by many!*

“ Renee I will never forget you. My childhood memories are filled with you and all of the wonderful, crazy, and exciting adventures we had like the time when you used baby oil to lay in the sun and got so burnt!! I will always remember our walks to Skateland every weekend and on Wednesdays and that still wasn't enough roller skating for us! Then there was ice-skating on the crick every winter and the time you getting your tongue stuck on a pole! I laugh when I think of the make-shift tents we used to create in our backyards every summer. I too remember you piercing my ear with a needle and a potato! The memories go on and on and I thank you for helping create those. You will forever be in my heart.

“ I met Renee when we were four. She was one of my best friends all through school. I can't begin to count all the fun memories I have. There was the time her tongue got stuck on the frozen fence, the time she was chasing me in tag and watched as I ran smack into the back of a parked car, the time we pierced my ear with a needle and a potato in her bedroom, trying always unsuccessfully to beat her in the 300 in gym class. I could go on and on but my point is, the time I spent with Renee shaped and colored my childhood in so many ways. I love her and will remeber her always. To Shelly and the rest of her family I can't express enough how deeply sorry I am for your loss.

“ Dear Shelley, Don, Kyle, Austin and Erin.....My heartfelt sympathies go out to you all at the loss of your sister and aunt. She was much too young to die, but perhaps now she may have the peace that she just could not find here on Earth. May God bless you all and help you get through this tragic time. If there is anything I can do..please let me know..Love Tricia and Phil Mocerri and Family
