“ *We were so sorry to hear about Rich's passing, and wish we had spent more time getting to know both him and Dawne in the neighborhood. Our sympathies to Dawne and to the rest of the family members.*

“ *Dear Dawne, It is hard to express our sadness over the loss of Rich. He was loved by our entire family. He had such a positive impact on our boys, Todd, Greg, Ty and Alan. You two never missed any of their marriages, always full of support. And Rich spent countless hours in a fishing boat with each of them over these many years, offering all kinds of wisdom and advice. They knew he was a Godly man. Don will forever be grateful for those last few moments he had with his friend Rich. The memories, full of smiles and laughter, will be with us always and he will never be forgotten. We send you all our love and sympathy.*

“ *I was fortunate to have been able to work with Rich for several years. I learned a great deal from him and continue to have great respect and admiration for him. My thoughts and prayers are with you and your family.*

“ Just a note to express my sympathy to Rich's family on their loss. I also knew Rich through Royal Oak DeMolay more than 40 years ago. I was impressed with his quiet competence then, and am not surprised to hear of his life's many accomplishments since. I will remember him as a real "class act".

“ We were just speaking of Rich the other day, saying He was laidback, yet he supported us as a group and let us do our job. He was a good person and a great boss. He will be truly missed. Our thoughts and prayers are with his family. National City, Washington Branch.

“ Our sympathy to Richard's family on your loss. We knew Rich during our involvement with him in Royal Oak DeMolay and Rainbow activities. We remember our conversation with him at the last Dondero '61 class reunion. Again, our sympathies.

“ Dawne, My deepest sympathy goes out to you and your family. Rich and I worked together for many years and we had some ups and downs, but Rich was truly one of the nicest people I knew. I am so sorry for your loss. If I can do anything for you, please let me know. I really mean that!
