“ Arne was a fixture in the neighborhood and familiar to us all. He was my special friend and always came around asking if I was at home. His boundless positivity and curiosity were infectious. I admire the Hopkins family for their humanity and grace cherishing his being.

“ Arnie was a special friend who I will never forget. I grew up (four years older than Arnie) in his neighborhood and became accustomed to his daily visits, his love of keys, love of cars and love of the sound he could make with our doorbell. “Whatcha doin, Martha?” rings in my head like it was yesterday and not over 30 years ago. I am so sad to hear of Arnie’s passing but I celebrate his life today and how he gave his gift of love and curiosity to our family and all the friends he so winningly made in our neighborhood. I am sending much love to you, Ingrid and Toby, and to your families. My deep condolences -

“ To the family of Richard Hopkins : Please accept my sincere sympathy for the loss of your loved one. While we don't know one another, experiencing the devastation of losing a loved one is something we all face in our lives. The Bible promises a time when "death will be no more" (Rev 21:3.4) and assures us that God hears our prayers (Ps 55:22). I hope this brings you some peace during this difficult time.
